2. Commander's Narrative Summary of Significant Events

a. As the present reporting period began the 1st Antitank Battalion (-) was preparing to deploy to Okinawa with other units of the 1st Marine Division (Rein)(Rear). The Battalion at that time was comprised of H&S Company and Company B (-). Prior to the beginning of the reporting period 2nd Platoon, Company B and 3rd Platoon, Company B were attached to BLT's 2/5 and 3/5 respectively. 1st Platoon, Company B had deployed to Kaneohe with BLT 1/5 in July, 1965.

b. The organization for embarkation put this Battalion in Embarkation Unit Charlie, commanded by Col. C.F. WIDDECKE, Commanding Officer RLT-5.

c. Lt Col W. MOORE, Commanding Officer, 1st Antitank Battalion was designated Commander, Embarkation Team Charlie-1. Embarkation Team Charlie-1 embarked aboard the USS Talladega (APA-208) and sailed from Long Beach on 14 January 1966, and CHOPPED to Commanding General, FMFPAC on the same date.

d. Capt J.E. FELKER, Commanding Officer, Company B (-), 1st Antitank Battalion was designated Commander, Embarkation Team Charlie - 3. Embarkation Team Charlie - 3 embarked aboard the USS St Clair County (LST-1096) sailed from San Diego on 14 January 1966, and CHOPPED to Commanding General, FMFPAC on the same date.

e. While aboard the USS Talladega, the 1st Antitank Battalion Staff functioned as the Embarkation Team Charlie-1 Staff, coordinating all troop activity aboard that ship. Worthy of note was the ambitious training program initiated and run under the direction of the AT Battalion S-3. This is discussed under Detailed Description of Significant Events.

f. Embarkation Team Charlie-1 debarked at White Beach Okinawa on 5 February 1966 and CHOPPED to Commanding General 1st Marine Division (Rein). The Battalion was stationed at Camp Hansen.

g. Embarkation Team Charlie-3 debarked at Naha on 14 February 1966 and CHOPPED to Commanding General, 1st Marine Division. Company B (-) rejoined the Battalion at Camp Hansen.

h. Upon arrival of the 1st Antitank Battalion on Okinawa, Company A (-), 1st Antitank Battalion was rejoined ADCON & OPCON. Company A (-) was comprised of its headquarters and 3rd Platoon, Company A, 3rd Antitank Battalion.

i. Capt G. R. VAN HORN relieved 1st Lt D. F. FEENEY as Company Commander, Company A (-) on 8 February 1966. 1st Lt FEENEY was assigned as Company A (-) Executive Officer.

j. After arriving on Okinawa, the Battalion began a full-scale counter-guerrilla warfare training program. All hands went through the Jungle Lane at Camp Schwab. Forty men participated in the oneday Landmine Warfare, Demolitions and Boobytrap course run by the 1st Engineer Battalion on 10 February 1966. Fifteen Marines of this Battalion attended Counter-guerrilla Warfare School at the Northern Training Area 24 February - 28 February. Command Post Defense drills were held on the afternoon and evening of 28 February.

### 3. Detailed Description of Significant Events

#### a. Shipboard Training

Training aboard the USS Talladega was conducted by all units of Embarkation Team Charlie - I. The program was initiated and coordinated by Major A.J. EAGAN, S - 3 of this Battalion.

2. Operations

a. The first platoon in support of 1/7 has been manning positions on the MLR. One section was in support of B-1/7 at (BS605995) and the other section moved from (BS568997) to (BS588981) in support of C-1/7. On 22 & 23 Feb the Plt Cmr in conjunction with elements of D-1/7 reconnoitered the area from (BT623004) to (BS630981) to determine if the area is passable by Ontos. The terrain was found suitable for Ontos operation.

b. The second platoon in support of 2/7 has been manning positions on the MLR. One section is located at (BT495036) and one section at

(BT504030). On 26 Feb the platoon conducted a live firing exercise using the indirect method. The accuracy was considered excellent by the artillery officer who was acting as the FO.

c. The third platoon in support of 3/7 has been manning positions on the MLR. One section is located at (ES549996) and the other section at (BT528002).

d. Company Headquarters continues to man two (2) M-60 M.G. positions at (BT560048) in conjunction with the 7th Marines Beach Security Plan.

3. Training

a. Classes were conducted on interior guard, the fire control system, the M-13 elevation quadrant, turret mil scale, M-1 gunners quadrant, boresighting, construction of hull defilade positions and P.M. of Communication equipment. All plt Cmdrs, Plt Sgts, and OC's were present at the indirect firing exercise. More practice is needed in the area of indirect firing procedures, but it is felt that this method of fire can be used to support the infantry. Inspections were conducted on the Ontos, weapons, and personnel.

b. The condition of the track continues to limit our operating capabilities.
