NARRATIVE SUMMARY

1. Throughout the reporting period, subordinate units of this command were assigned missions as follows:

1st PLT, DS	3rd Bn First Marines
2nd PLT, DS	2nd Bn First Marines
3rd PLT, DS	1st Bn First Marines

2. 1 - 31 March 1967. During the current reporting period, A Company DS First Marines is continuing to provide Ontos for escort missions, Mechanized Patrols, Convoy Escort, and support of Night Defensive positions. The terrain is excellent for Ontos operation in the First Marine TAOR. The lack of Float Vehicles to replace those lost to enemy mines continues to be a major problem. The shortage of firing pins for the 106MM Rifle is becoming a problem area. The company strength of 12 vehicles continues to cause a strain on the available Ontos. Future company operations will require ~~augmentation~~ <sup>augmentation</sup> of 4 - 5 Ontos.

Narrative Summary

With paddies continuing to dry out during March the use of Ontos increased in support of Infantry, especially squad and platoon size combat patrols. Through these operations the infantry units are gaining a greater appreciation of the capabilities of the Ontos and the results of this coordination is providing excellent results. Despite some adverse operating conditions the Ontos is proving time and time again that it is mechanically reliable and well suited for this type operations.
