1. OPERATIONS

a. The general disposition of the Company remained unchanged; 1st platoon with 2/9, 2nd platoon with 3/9, 4th platoon with 3/3, and the 3rd platoon augmenting the 1st and 4th platoons. There was very little action for this reporting period.

b. SUMMARY OF PLATOON ACTIONS

(1) 1st platoon. The platoon commenced the reporting period with 1-2 with Company M, 3/3 at An Trach; 1-3 and 1-5 with Company G at 983658, 1-4 with Company H at 023654 and 1-1 at Battalion Maintenance. There was no action and no change in disposition until the 5th when 1-2 was withdrawn from An Trach to Battalion Maintenance where it remained for the remainder of the reporting period. At the same time 1-5 was withdrawn to the platoon CP for the remainder of the reporting period. There was no action, no contact, and no rounds expended and the disposition is now as follows: 1-1 at platoon CP; 1-2 at Battalion Maintenance; 1-3 and 1-5 at Company G; and 1-4 with Company H.

(2) 2nd platoon. This platoon commenced the reporting period with 2-1 and 2-2 with Company I, 3/9 and 2-4 and 2-5 with Company L, 3/9 and 2-3 in Battalion Maintenance. The four vehicles in operation spent the first two days in the platoon CP for Preventive Maintenance. On the 3rd, 2-1 and 2-3 (released from deadline) participated in a sweep of grid squares 1561, 1360, 1162, and 1263. No contact.

DECLASSIFIED

On the 4th 2-1 and 2-3 went to Company L at 094658 and 2-2 and 2-4 went to Company I at 065644. 2-5 was in Battalion Maintenance. There was no further action until the 6th when both sections participated in a sweep from 077658 to 072698. There was no contact reported.

The following day these same vehicles participated in a sweep of area bounded by 056640, 0764, 080610 and 058600. There was no contact reported. On the 9th the vehicles participated in a search and destroy operation in area bounded by 034683, 048685, 050657 and 032648. There was no contact reported. On the 10th 2-5 was released from maintenance and replaced 2-4 which went to maintenance. All other vehicles were withdrawn to the platoon CP. While in this vicinity 2-1 received four or five small arms rounds at about 1330. As the direction from which the fire had emanated could not be determined, it was not returned. There were no casualties. One VCS (female) was seen running from the area and was apprehended and turned over to an infantry patrol in the area. The vehicles closed out the reporting period in the platoon CP except for 2-4 which remained at Battalion Maintenance.

(3) 3rd platoon. This platoon is still augmenting the 1st and 4th platoons. Vehicles 3-1 and 3-4 were with Company I, 3/3 on Hill 55. There was no action for this section except on the 7th when they escorted a convoy from the hill to the Ha Dong bridge. There was no contact. On the 10th these two vehicles were withdrawn to the Company CP for preventive maintenance. Vehicle 3-2 spent the reporting period with Company H, 2/9 and reported no operations or action. 3-3 commenced this period at the 4th platoon CP, but on the 2nd was withdrawn to Battalion Maintenance where it remained until the evening of the 9th. On the 10th this vehicle was sent to An Trach and reported no action that day. Vehicle 3-5 began the reporting period with Company H, 2/9. It was not involved in any action there and on the 8th was sent to An Trach with Company M, 3/3. On the 9th it acted as a blocking force at 976644 for Company M in a sweep. There was no action reported.

(4) 4th platoon. The platoon commenced the reporting period with 4-3 and 4-5 with Company L, 3/3 on Hill 22, 4-1 (and 1-2) with Company M, 3/3 at An Trach, 4-4 (and 3-3) at 4th platoon CP, and 4-2 deadlined at Battalion. 3-3 was withdrawn to Battalion Maintenance. On the 2nd 4-1 and 1-2 went on a sweep with Company L. There was no contact. On the 5th, these vehicles again went out with Company L, but there was no contact. However 1-2 developed trouble and was withdrawn to the 1st platoon CP and replaced by 4-4. On the 6th 4-1 and 4-4 went on another sweep. No contact was reported. On the 8th 4-4 developed trouble and was replaced with 3-5 and on the 9th 4-1 and 3-5 went out with Company M. No contact was reported. There was no further action reported.
