c. Intelligence. Information concerning the enemy and terrain was received from USMACV, III MAF, 1st and 3d Marine Divisions, HOA VANG district headquarters, HOA CAM Regional Forces Training Center and 3d Tank Bn INFSUMS.

d. Training. Battalion level training was accomplished using the contact team method. Formal Schooling was held at the Company level on such subjects as Map Reading, Troop indoctrination, Code of Conduct and NBC. The various familiarization firing activities conducted in October included the 106MM recoilless rifle, Cal 30 machinegun, M-60 machinegun, M-14 rifle, Cal 45 pistol, Cal 50 spotter rifle, and the M-26 fragmentation grenade. The Gun Companies, where the greater percent are armed with Cal 45 pistols, used "field firing" for familiarization due to operational commitments.

3. Company Activities.

(a) H&S Company. During the month of October the company continued the normal functions of providing administrative and logistical support for the ONTOS companies. The reaction force continued to conduct ambushes and patrols within the Battalion's Patrol area of responsibility. Work on the improvement of the CP defensive perimeter continued.

(b) Company "A" continued in direct support of the 3rd Marine Division. On 100800H this Company started displacement from DANANG to DONG HA. The First Platoon continued in support of the 2nd Bn, 3d Marines. The heavy section was located on Hill 65 in support of F/2/3. The light section was located in support of G/2/3. On 8 Oct the light section accompanied a Company size sweep west of Hill 65 with no enemy contact. The Plt expended 13 major rounds (106MM Recoilless Rifle HEP-T) on H&I fire missions with unknown results. On 111300H the 1st Plt embarked aboard an LCU at DANANG and arrived at DONG HA at 121300H. On 16 Oct they were assigned the mission of supporting K, L, and M/3/4 in defense of Camp J. J. CARROL. The Second Platoon continued in direct support of D/1/3 at positions near LE MY. On 4 Oct this Plt fired 12 major rounds at 12 VCS with unknown results. On 6 Oct the 173d Airborne assumed responsibility for the 1/3 TAOR. This Plt fired a total of 579 major rounds on H&I fire missions in support of 1/3. On 111300H the 2nd Plt embarked aboard an LCU at DANANG and arrived at DONG HA on 121300H. On 17 Oct the light section moved to (YD026561) in support of I/3/4. The heavy section remained at Camp CARROL in support of H&S 3/4. This Plt fired a total of 187 major rounds on H&I fire missions in support of 3/4. The Third Platoon continued in support of 2/26. The light section was located on Hill 20 (AT925691) in support of G/2/26 on Hills 22 and 41 with a single ONTOS on each hill. The 3d ONTOS from the heavy section remained at the Plt CP in support of H/2/26. On 7 Oct the light section accompanied a Company size sweep with no enemy contact. This Platoon fired a total of 106 major rounds on H&I fire missions in support of 2/26. On 101300H the 3d Plt embarked aboard an LCU at DANANG and arrived at DONG HA on 111300H. From 12 to 15 Oct this platoon supported 3/4 in defense of Camp J. J. CARROL.

On 22 Oct the 3d Plt fired 12 major rounds at a squad of NVA with unknown results. This Plt fired 1,137 major rounds on H&I fire missions in support of 2/9 and 3/4.

(c) Company "B" continued in direct support of the 3d Marine Division with the Co CP at HUE PHU BAI. The First Platoon began this period in direct support of 2/4. It was employed as security for mine sweeps and security for a medical infirmary at JA LAY. One section remained in defensive positions along Route 14. On 7 Oct one VC grenade was thrown into this position. There were no USMC casualties. One major round was fired at VC with undetermined results. On 8 Oct this platoon returned to HUE PHU BAI and occupied defensive positions in support of 2/4. The Second Platoon continued in direct support of the Fourth Marine Regiment. The light section remained in direct support of 2/9 at the ROCK PILE (XD979568). On 13 Oct the light section participated in a Company size sweep with no enemy contact. On 20 Oct the light section was relieved by the 3d Plt Co "A" 3d ATBn. On 21 Oct the light section joined the heavy section in defense of DONG HA Air Strip in support of 2/4 with no further enemy contact. The Third Platoon continued to support the Co CP at PHU BAI. On 8 Oct the platoon relieved the 1st Plt and assumed support of 2/4. The heavy section provided security for the JA LAY medical Facilities in the morning and occupied defensive positions at the Co CP at night. This section fired 35 Cal 30 MG rounds at VC snipers with negative results. On 8 Oct the light section maintained defensive positions at the artillery position on Route 14 and remained there through the reporting period.

(d) Company "C" continued in direct support of the 9th Marines. The First Platoon continued OPCON of the 1st Antitank Bn until Oct 24 when the Platoon returned to Parent Organizational Control. On 28 Oct the First Plt moved one section to (AT914597) in support of G/2/3 and one section to (AT878576) in support of F/2/3. This Plt expended 10 major rounds on H&I fire missions with unknown results. The Second Platoon continued in support of the 3d Bn 9th Marines. The light section in support of L/3/9 provided security for mine sweeps of Highway 14 for the entire period with no enemy contact. The heavy section in support of H&S/3/9 was deployed in defensive positions along the AN HOA Airstrip for the entire reporting period with no enemy contact. The Third Platoon continued in support of 1/26. The light section was located at (AT968575) in support of A/1/26. The heavy section (minus) was located at the ferry crossing at (AT925535) in support of B/1/26. One ONTOS remained at the Co CP (AT967617) as an element of a reaction force. On 4 Oct the heavy section observed 12 VC crossing the river in boats. Ten major rounds were expended resulting in 2 VC KIA confirmed. On 14 Oct the light section received sniper fire and returned 2 major rounds with undetermined results. On 17 Oct the light section in support of A/1/26 expended 6 major rounds at a VC tunnel complex with undetermined results. On the 24th of Oct the heavy section (minus) moved to Hill 37 to support F/2/3 (AT878576) and the light section moved to (AT914597) to support G/2/3.
