PART II - NARRATIVE SUMMARY

PERSONNEL

The Battalion's personnel posture in relation to the strength authorized by current Manning level exceeded the Manning level during the month; however, the number of officers on board in relation to the number authorized remains unacceptable and causes a lessening of the Battalion's effectiveness. In addition, shortages still exist in certain enlisted MOS's. Anticipated enlisted losses during the coming month will not decrease the effectiveness of the Battalion, as it will remain in personnel readiness category C-1.

Net enlisted gains during the month of December amounted to 70, resulting in an on-board strength of 664 enlisted, 73 in excess of authorized Manning level. The excess personnel situation has enabled the Battalion to commence an extensive cross-training program which should enhance the Battalion's combat capability in the coming months. The administrative workload of the Battalion increased considerably during December, owing primarily to 112 newly joined personnel, the commencement of six investigations, and the conduct of a general effort to reduce the administrative backlog and bring present administrative practices into line with accepted procedures.

The overseas tour of duty extension program with special 30 day leave continues to produce excellent results. During December, 29 new requests for extension of tour of duty in connection with the program were processed, bringing the total to 37 requests since the inauguration of the program. The total number of extensions of tour of duty under all existing programs now stands at 167, representing a total of 454 man months gained through extensions.

There were four cases of disciplinary action during the month. Two of the infractions were punished under Article 15, one referred to Summary Court-Martial, and one to Special Court-Martial. This brings the total instances of disciplinary action for the six month period ending on 31 December 1966, to 19 cases of punishment under Article 15, 1 Summary Court-Martial, and 3 Special Courts-Martial.

Morale continues to remain excellent, with R&R trips being the major factor in maintaining morale. Sunday afternoon smokers, organized athletics, recreation within the Battalion CP, and the newly established indoor theatre are contributing factors of note.

During December the 3d Tank Battalion suffered 14 casualties: 13 WIA and one KIA.

UNCLASSIFIED

INTELLIGENCE

Weather: During December 1966, weather again curtailed tank combat operations. A total of 22.62 inches of rainfall was recorded. Extremes in temperatures (a low of 51 degrees was recorded in Dong Ha) caused troop discomfort as chilly, damp weather prevailed throughout most of the month.

Intelligence narrative: On Operation Prairie in Quang Tri Province, (Companies "A" and "C") there were seven VC/NVA initiated incidents; one mining, one recoilless rifle, one RPG-2 firing, one small arms exchange, and three mortar incidents. In both the recoilless rifle and RPG-2 incidents armor penetrations were achieved. The recoilless rifle was estimated to have been a ChiCom 82mm. At the time of penetration the crew was not aboard the vehicle. The round penetrated the turret below the gun shield. The RPG-2 penetration entered the hull at the right rear and punctured a fuel cell. In both cases combat operations were not disrupted.

In the Danang TAOR (Company "B") there were 10 VC initiated incidents; five small arms sniper incidents and five anti-tank mining incidents. One anti-tank mine, believed to have been a 105mm HE round, was detonated by a tank crewman as he was initiating repairs to his vehicle that minutes before detonated an anti-tank mine.

Within the Southern Sector, 1st Marine Division Rear Area, (HQ Ord Grp and H&S Co), there were 14 VC initiated incidents, 12 sniper small arms exchanges and two grenading incidents.

A total of 124 Vietnamese were apprehended during 3d Tank Battalion's Modified County Fair conducted 12 through 14 December 1966. The detainees received initial intelligence screening and were forwarded to III MAF Detention Compound for further interrogation.

At 1000H on 7 December 1966, a nine year old Vietnamese girl from the hamlet of Cam Hoa (2), approached a 3d Tank Battalion patrol and offered to show them where three VC were hiding in the hamlet of Phung Da (1) (LT 994698). This hamlet is in the 1st Marine Regiment TAOR. The girl was taken to the 1st Marines CP; a squad was sent with her to search out the area. As they approached the hamlet they received small arms fire. The Vietnamese girl was rewarded \$500.00 by 3d Tank Battalion. (Intelligence Journal entry #40 11 Dec 66)

OPERATIONS AND TRAINING

During the month of December 1966, the Battalion remained in support of both the 1st and 3d Marine Divisions. In the Danang TAOR, the Battalion Headquarters, Headquarters and Service Company (-), and Company "B" (Rein) were under the operational control of the Commanding General, 1st Marine Division. In the Dong Ha TAOR, Company "A" (Rein), Company "C" (Rein), and the Forward Operating Group (Det, H&S Company) were under the operational control of the Commanding General, 3d Marine Division. The Forward Operating Group was established at Dong Ha on 7 December 1966 in order to relieve the operating companies of the logistical burdens associated with being separated from the Battalion Headquarters. Administrative control of the entire Battalion remained with 3d Marine Division.

On 5 December 1966, a platoon from Company "A" was transferred to BLT 1/4 for rotation to Okinawa. On 12 December 1966, the tank platoon attached to BLT 3/26 was joined and assigned to Company "A".

Tank combat operations during the month of December 1966 were limited considerably because of the monsoon weather. Cross country mobility was impossible in most areas with trafficability limited to road networks. The tanks were utilized in high ground type firing positions to provide support by fire for continuing infantry operations. Additionally, the tanks conducted H&I firing, both day and night.

The following support assignments were effective during the month:

Company "A" - D/S 3d Marine Regiment (Dong Ha)
 Company "B" - D/S 9th Marine Regiment (Danang)
 Company "C" - D/S 4th Marine Regiment (Dong Ha)

Companies "A" and "C" were committed in the Dong Ha TAOR in support of Operation Prairie, which is continuing.

Tank combat operations for the month accounted for 24 VC/NVA (confirmed), eight VC/NVA KIA (probable), and eight boats destroyed. Ammunition expenditures for the month were: 1,037 rounds 90mm; 1,950 rounds caliber .30; 200 rounds caliber .50.

On 6 December 1966, the Commanding Officer, 3d Tank Battalion was designated as Commander Southern Sector, 1st Marine Division area of interest, with the mission of coordinating and directing as required the active defensive measures for the 14 tenant units of the Southern Sector. During the month, a number of provisional squad and platoon sized reaction forces were committed within the sector either in response to VC initiated incidents or intelligence gained from local officials and ARVN sources.

From 12-14 December 1966, the Commander, Southern Sector, conducted a modified County Fair operation designated as Operation County

Pair 3TK-1. This was the first such operation conducted by the Battalion. All of the hamlet areas within Southern Sector were included in the three day operation. The operation was modified from the normal County Fair concept in that the sweeping forces were composed of two rifle companies provided by the 1st Marine Regiment, 1st Marine Division. The operation was termed a success from the standpoint of making our military presence felt and credible in all areas of the Southern Sector.

Local operations, including the County Fair, accounted for seven PW's and 141 VN detained. Such operations have had the effect of disrupting the local VC infrastructure and keeping operating elements off balance.

Training of the Battalion was emphasized in three areas: troop orientation for newly joined personnel, technical training to include a tank gunnery training program, and general military subjects training for combat skills and related PVN oriented subjects.

Operations and intelligence briefings were conducted for officers and SMCU's within the Battalion on three times weekly.

Formal school training consisted of one officer attending Crypto-Communications Security School in Japan, one enlisted attending Vietnamese Language School in Okinawa, one enlisted attending M-62 Wrecker training at Dong Ha, and 20 enlisted attending LVTU Contact Team Wheeled/Tracked Vehicle Waterproofing Course at Dong Ha.

On 30 December 1966, the Battalion was visited by the Commanding General, Fleet Marine Force, Pacific, Lieutenant General Victor H. Krulak. General Krulak was accompanied by Major General H. Nickerson, Jr., Commanding General, 1st Marine Division. A briefing was conducted concerning operations, intelligence, logistics and civil affairs activities of the Battalion.

LOGISTICS

During the month of December this organization established a "Forward Operating Group" (FOG). Due to the wide dispersion of the companies of this Battalion, this type of support organization was deemed a necessity. The function of this group is to provide logistic support, especially in the areas of supply and maintenance, to the two companies operating in the Dong Ha area. The F.O.G. is comprised of personnel from the supply, maintenance, motor transport, and communication sections. The current organizational structure of this group calls for two officers and 28 enlisted; however, this figure is subject to change inasmuch as this group is still being developed. Notwithstanding the fact that this group is relatively new within this command it is providing invaluable assistance to the forward operating companies.

An FMF Pac inspection team inspected this Battalion during December. As a result of this inspection, discrepancies are being corrected as indicated below. In the field of supply, all excesses are being turned in and all unserviceable gear has been turned in. A thorough reconciliation with 3d Force Service Regiment and Force Logistic Support Group Alpha was completed this month. The supply section is now working on a 24 hour a day basis and is compiling usage data as it occurs and maintaining accurate 706 cards. All maintenance on tanks and engineering equipment is being conducted within this battalion's established echelon limits. Under the R&E program this battalion has turned in and received seven replacement tanks this month. We have also received the first increment of modification kits for the M48A3 cupola. These 20 kits are currently being installed. The motor transport section of 3d Tank Battalion has logged 34,164 road miles for the month, and there have been seven med-evacs in December.

COMMUNICATIONS - ELECTRONICS

The radio relay team which had been assigned to this Battalion for telephone communication with the 1st Marine Division was withdrawn and returned to their parent unit. 1st Marine Division Wire Platoon laid another metallic wire line giving the Battalion two trunk lines to the Division switchboard. Other trunk lines in operation were to 1st Marine Regiment, 3d Anti-Tank Battalion, 1st Amphibious Tractor Battalion, 1st Tank Battalion, and Company "A", 7th Engineer Battalion. The Battalion also had a hot-line to Hoa Can Training Center, and long locals off 1st Military Police Battalion and 1st Division CQC switchboards. The line to Company "A", 7th Engineer Battalion, continued to be the biggest problem with the line being cut a total of 22 times in December.

On 23 December a teletype broadcast circuit from 1st Marine Division was instituted and 163 messages were received over it during the remainder of the month. Transmissions were still made by a courier run to Division Message Center. A total of 1302 messages were handled in December, a marked decrease from the previous month.

Upon the activation of a Forward Operating Group to support Companies "A" and "C" in the Dong Ha TAO, all radio messages between these two companies and the Battalion were handled by the Forward Operating Group. Three technicians, and two radio operators were assigned to the Forward Operating Group and were supplied with one PP-368, one AN/UHM-32, one AN/UHM-48, one ME-25, one ME-116, two AN/MRC-83's, one AN/MRC-36, and one AN/MRC-110.

The personnel picture was brighter, but there was a continued shortage of radio operators and no communication chief; there was an overall increase in the total personnel to 62. The first people in the Communications Platoon to take advantage of the six-month extension, 30 days non-chargeable leave, left on the 5th of December.

Supply continued to be adequate with maintenance and deadline rates low.

CIVIL AFFAIRS

3d Tank Battalion Civil Affairs program entered a new sphere of operations primarily designed to increase the economic potential of Phong Bac Hamlet. By pursuing such a course of action we hope to provide some measure of economic self-sufficiency for the populace. Since we have ventured into the realm of "capitalism", the response from the community has been favorable. From our first economic project, the Phong Bac Community Fish Fund which was started during the month of November, we have expanded our programs into other money-making areas such as pig, chicken, duck, rabbit, and garden programs. At the first farmers' meeting ever held in Phong Bac Hamlet, on 30 December 1966, the ground work for these programs was explained to the 87 individuals who attended the function.

The Phong Bac Hamlet Community Fish Fund program, although temporarily suspended by the excessive flooding conditions of the Song Cau Do River, increased by 2,150 piasters, bringing the total to 5,785 piasters now available in the fund. When the waters recede, active fishing will resume. In the near future it is expected that a system of fishing nets will replace the present method of using explosives to catch fish.

The new school room is almost completed. One wall needs a finishing coat of paint. Construction of school tables and benches is being done by hamlet carpenters.

The old bricks from the Village Office, which was destroyed by the Viet Cong in September, have been utilized to construct an archway over the entrance to the Phong Bac Market Place. Vietnamese masons are doing the actual work, and for the first time they will be paid out of the Community Fund. A sign will be inscribed upon the archway designating the Market Place and the Vietnamese Flag will be flown at the top.

Nguyen Duc Thu, the new Village Chief, has definitely improved the Civic Action/Psypops efforts in Phong Bac Hamlet. The Chief's stringent policies concerning the Viet Cong and their inter-hamlet activities are operating in a positive direction. Carrying on his official duties less than a month, he has already captured three Viet Cong (confirmed), apprehended a number of Viet Cong suspects, and contributed intelligence to the 3d Tank Battalion's S-2. Furthermore, he issued a hamlet ultimatum to all Viet Cong sympathizers stating for them not to engage in any future insurgent programs or they will suffer the consequences of a fine or death.

During the Holiday Truce, the 3d Tank Battalion Commanding Officer and the Civic Action Team and Hoa Tho Village officials conducted a discussion on the economic opportunities in Phong Bac Hamlet. In addition, a comparison was drawn between GVN and NLF policies concern-

ing economic development. Pointed out to the people was the fact that the NLF had been given the chance to openly debate welfare policies. Their absence from the meeting was stressed to the people as the NLF's total lack of concern for the well-being of the people. Non-representation of the NLF was emphasized throughout the occasion.

3d Tank Battalion's DMOCAP activities for the month of December established a new record with a total of 1,762 people treated. For a period of three days the DMOCAP team operated in conjunction with the 3d Tank Battalion County Fair I. Furthermore, the DMOCAP team spent several days in the field applying medical assistance on a house to house basis. In addition, DMOCAP activities were held for the first time in Phong Bac Hamlet and are now conducted on a once-a-week schedule. Together, both teams play an important role in the overall Civic Action effort.

MEDICAL AND DENTAL

During this month a total of 463 U. S. Marine Corps personnel were treated by all units of this battalion, with a total of two members of the RVN Forces treated. Grand total military patients seen: 465. A total of 257 routine immunizations were given to members of this command.

Newly jointed personnel are being given an indoctrination lecture including V. D. prevention and Medical Indoctrination. These presentations are in association with initial troop orientation upon arrival in RVN.

During this same period, a total of seven cases of gonorrhea was reported, which is a large increase from any previous month.

On 12 December 1966, a Three Phase Operation (modified County Fair) commenced, which was a joint U. S. Marine Corps/ARVN operation with MED/DEN CAP services provided by tenant units of this Battalion, Dental Company, Third Medical Battalion; DaNang Hospital and RVN Medical Corpsmen. In regard to establishment of the MEDCAP sites, many lessons were learned on the First Phase. Corrective measures were taken to reduce the problems experienced and the remaining two phases were completed with relatively little problems.

Total patients seen: 895

272 Phase I
322 Phase II
301 Phase III

At the request of the Commander, Hoa Cam Regional Forces Training Center, on 21 and 22 December 1966 two MEDCAP teams were again established. One team was established to visit individual homes on a door to door basis, while the second team was situated at a school house and the patients were directed to this MEDCAP team. On this two day operation with RVN Forces a total of 107 patients were seen. LT FONG of the Hoa Cam Regional Forces Training Center, was the senior Officer in Charge of the door to door team, and the cooperation received from LT FONG and his men was outstanding. RVN troops made a special effort to provide the maximum protection to the MEDCAP Team members, usually encircling them whenever possible. LT FONG also assisted as an interpreter on 22 December since the battalion interpreter was unavailable.

MEDCAP activities at the FAS continued as usual except for the period of the Three Phase Operation. Total patients seen at the FAS: 360. Total patients seen at the MEDCAP Station in Phong Tac 418.

PART III - SEQUENTIAL LISTING OF SIGNIFICANT EVENTS

1 December 1966: At 011345H, while in support of 3/7 located at (AT 877576) Company "B" tanks observed one boat containing four VC and cargo on a river at (AT 832548) and (AT 845557). Tanks fired 90mm rounds into the target resulting in four VC MEGF confirmed and one boat sunk.

Ref: SitRep 319, Entry A

2 December 1966: At 021530H, 3d Tank Battalion CP at (AT 989708) received 30 rounds of automatic weapons fire from (AT 993708). Reaction forces were sent into the area. Results of search were inconclusive.

Ref: SitRep 320/2 Dec, Entry B

At 022100H, Company "B" tanks in support of 3/7 at (AT 876574) fired 90mm rounds into an enemy position believed to contain a platoon of VC who had a squad of infantry pinned down. Results of fire were two VC MEGF confirmed and the following items captured: one sub-machine gun caliber .45, with two magazines; two ChiCom grenades; two M-26 grenades; two ponchos; one raincoat; and one pack.

Ref: SitRep 320/3 Dec, Entry B

At 022111, 3d Tank Battalion roadblock at (AT 985720) received five rounds small arms fire from (AT 985721). No fire could be returned due to location of friendly units.

Ref: SitRep 320/2 Dec, Entry D

At 021500H, radio relay team, which had been temporarily located at 3d Tank Battalion CP, returned to parent unit.

3 December 1966: At 031445H, Company "B" tanks in support of 3/7 at (AT 877575) sighted one boat containing three VC at (AT 849551) fired 90mm rounds, resulting in three VC MEGF confirmed, one secondary explosion, and one boat sunk.

Ref: SitRep 320/3 Dec, Entry D

At 031500H, a metallic trunk line was laid to 3d Tank Battalion switchboard by 1st Marine Division Wire Section.

4 December 1966: At 040815H, Company "B" tanks in support of 1/26 at (AT 968604) while on mine sweep, received small arms fire from (AT - 973604). Tanks returned fire with 90mm rounds. Results were inconclusive.

Ref: SitRep 321, Entry B

From 041645H to 041915H, Company "A" tanks in support of 3/3 at (XD 975567) received 75mm recoilless rifle fire and heavy automatic small arms fire from enemy positions inside of caves at (XD 986573). One tank took a complete armor penetration which jammed the turret and the 90mm gun. Tanks returned a heavy volume of 90mm fire with excellent coverage of target. Results of fire were inconclusive as the area was not searched.

Ref: SitRep 322, Entry A

Limited technical inspections are no longer required on the M-35, M-51, M-54, M-37, and M-43 rebuild programs. LTI's are no longer required for equipment associated with a rotating BLT, or equipment transferred between stock accounts.

Ref: CG 3d MarDiv msg 221113Z Nov 66

5 December 1966: At 050950H, Company "B" tanks in support of 1/26 at (AT 933578) detonated an anti-tank mine while on a road mine-sweep. Results of the mine detonation was moderate suspension system damage. One tank crewman WIA, non-med-evac.

Ref: SitRep 322, Entry B

At 051200H, Company "B" tanks in support of 1/26 at (AT 927527) and (AT 934525) received heavy small arms fire from enemy positions at (AT 941526), (AT 941520), and (AT 934528). Tanks returned 90mm rounds into enemy positions. Results of fire were inconclusive.

Ref: SitRep 322, Entry C

On 5 December 1966, 3d Tank Battalion Civil Affairs fish program in the hamlet of Phong Bac showed a profit of 235 piasters.

Ref: Daily Civic Action
Activity Report 5 Dec 66

6 December 1966: At 060715H, Company "B" tanks in support of 3/7 at (AT 847576) observed a boat at (AT 848554) containing three VC and cargo. Tanks fired 90mm rounds at the boat resulting in three VC KEGF confirmed, one large secondary explosion, and one boat sunk.

Ref: SitRep 323, Entry B

On 6 December 1966, 3d Tank Battalion Civil Affairs fish program in the hamlet of Phong Bac netted a profit of 90 piasters.

Ref: Daily Civic Action
Activity Report 6 Dec 66

7 December 1966: At 071000H, an H&S Company patrol and elements of the 1st Marine Regiment, swept Cam No (5) Hamlet at (AT 982698),

acting on intelligence from a VN girl, and received small arms fire from the above coordinates. Patrol returned fire and VC broke contact. Results of the hamlet search were numerous caves and tunnels destroyed.

Ref: SitRep 324, Entry B

At 071815H, Company "B" tanks in support of 3/7 at (LT 876575) observed a large concentration of VC on a riverbank at (LT 853553). Tanks fired 90mm rounds into the area resulting in three VC ABGF confirmed, two VC ABGF probable, and two secondary explosions.

Ref: SitRep 324, Entry F

On 7 December 1966, 3d Tank Battalion Civil Affairs fish program in the hamlet of Phong Bac netted a profit of 1,075 piasters.

Ref: Daily Civic Action
Activity Report 7 Dec 66

On 7 December 1966, 3d Tank Battalion established a Forward Operating Group consisting of logistics, communications, maintenance, and supply personnel and equipment in the Dong Ha area to assist Company "A" and "C" operating in the Dong Ha area.

Ref: 3d Tk BSO 178-66

8 December 1966: At 082030H, the III MAF POW compound at (LT 980728) received one grenade into their perimeter. Five VC were observed running toward Hoa Can rifle range at (LT 972724). POW perimeter fired small arms and observed one VC fall. 3d Tank Battalion dispatched two tanks and a reaction platoon to the vicinity of the rifle range. A sweep of the area was conducted with negative results.

Ref: SitRep 326, Entry B

9 December 1966: At 092320H, Company "C" tanks in support of 3/4 at (YD 112705) received 15 rounds of 81mm mortars. Tanks did not return fire because enemy positions could not be determined.

Ref: SitRep 327, Entry B

10 December 1966: At 101030H, Company "B" tanks at (LT 919539) were returning on "Liberty Road" from Thu Bon Bridge. One tank detonated mine causing moderate suspension damage. While initiating repairs one tank crewman stepped on a booby-trapped 105mm round. Results were one tank crewman KIA and four WIA.

Ref: SitRep 327, Entry D

On 10 December 1966, 3d Tank Battalion Civil Affairs Team placed four trash barrels in the Phong Bac Market Place.

Ref: Daily Civic Action
Activity Report 10 Dec 66

On 10 December 1966, 3d Tank Battalion commenced exchange of M48A3 on R&E FY 1967 program. Three of these tanks were delivered to the Dong Ha TAOR and one to the Danang TAOR.

Ref: CG, FLC msg 061412Z Dec 66

12 December 1966: At 120630H, 3d Tank Battalion commenced Operation County Fair 3TK-1. 2,500 VN were screened; results were two VCO and 31 VCS apprehended, and 15 loaded B&R magazines along with one ammunition box of loose caliber .30 ammunition captured in Phu Hoa Hamlet (AT 952705).

Ref: Modified County Fair 3TK-1 wrap-up report of 15 Dec 1966

From 122130H to 122215H, 3d Tank Battalion CP at (AT 969708) and security patrol along Highway 1A (BT 000715) received sporadic carbine and automatic weapons fire from (AT 997713) and (AT 992711). Security patrol returned fire. Results of fire were inconclusive, as the enemy broke contact.

Ref: SitRep 330, Entry A

13 December 1966: At 130630H, Modified County Fair 3TK-1 commenced Phase II, in the hamlets of Cam Hoa (2) (AT 978703) and Yen Bac (AT - 984703). 1,326 VN were screened; results were three VCO and 40 VCS apprehended.

Ref: Modified County Fair 3TK-1 wrap-up report of 15 Dec 1966

14 December 1966: At 140630H, Phase III of Modified County Fair 3TK-1 commenced and terminated at 141435H. 931 residents of Phong Bac Hamlet at (AT 995715) were screened. Results were 55 VCS apprehended.

Ref: Modified County Fair 3TK-1 wrap-up report of 15 Dec 1966

At 141045H, Company "B" tanks in support of 1/26 detonated an anti-tank mine at (AT 958585). Results were minor wounds to two tank crewmen and moderate damage to the tank's suspension system.

Ref: SitRep 331, Entry B

15 December 1966: At 151900H, Company "E" tanks in support of 1/26 at (AT 968594) heard firing at (AT 967594) and (AT 969594). Tanks moved to position where two Ontos, two 6x6 trucks, and one Jeep had been caught in an ambush. Tanks returned fire with 90mm rounds and caliber .30 and caliber .50 machine gun fire. Area was searched with inconclusive results.

Ref: SitRep 332, Entry C

17 December 1966: At 170915H, 3d Tank Battalion Civil Affairs Team (AT 999711) received one round sniper fire from (AT 999710). Results were one USMC killed-in-action. 3d Tank Battalion dispatched a reinforced squad to search the area with a local PF unit. Results of the search were 14 VCS, a large cache of medical supplies, and 38,295 piasters at (AT 998707) captured.

3D TANK BN SITREP NUMBER 324 FOR THE PERIOD 070001H TO 072400H DECEMBER 1966

1. HIGHLIGHTS.

A. LATE ENTRY. FROM 061600H TO 061900H A COMPANY "A" TANK AT (XD 975567) IN SUPPORT OF 3/3 FIRED H&I AT POSSIBLE AMBUSH SITES AT (XD 970574) AND (XD 969573). TANK EXPENDED TWELVE (12) 90MM HE ROUNDS. RESULTS OF FIRES WERE INCONCLUSIVE BECAUSE THE AREA WAS NOT SEARCHED.

B. AT 071000H, AN H&S COMPANY PATROL WITH AN INTERPRETOR FROM BATTALION S-2 SECTION, TALKED TO A NINE YEAR OLD VIETNAMESE GIRL FROM THE HAMLET OF CAM HOA (2). THE GIRL STATED THAT SHE COULD POINT OUT A TUNNEL WHERE THREE VC IN ARVN UNIFORMS WERE HIDING. THE AREA IS IN THE VICINITY OF CAM NE (5) (AT 982698). THIS INFORMATION WAS PASSED TO 1ST MARINES S-3. THE VIETNAMESE GIRL AND THE 3D TANK BATTALION INTERPRETOR WERE TAKEN TO 1ST MARINES' CP. ELEMENTS OF 1ST MARINES ESCORTED THE GIRL AND INTERPRETOR TO THE VICINITY OF CAM NE (5) AND RECEIVED FIRE FROM THE HAMLET UPON APPROACHING. THE MARINES RETURNED FIRE AND THE VC BROKE CONTACT. THE AREA WAS SEARCHED AND NUMEROUS CAVES AND TUNNELS WERE DISCOVERED. TWO (2) OF THE LARGER COMPLEXES WERE DESTROYED BY DEMOLITIONS.

C. AT 071750H COMPANY "C" TANKS IN SUPPORT OF THE PROVISIONAL BATTALION AT (YD - 112705) AND (YD 093716), FIRED TEN (10) ROUNDS 90MM HE IN H&I INTO ENEMY COORDINATES (YD 113733) AND (YD 093716). RESULTS OF THE FIRING WERE INCONCLUSIVE BECAUSE THE AREA WAS NOT SEARCHED.

D. AT 070832H COMPANY "B" TANKS AT (AT 963585) WHILE ACCOMPANYING A MINE SWEEP TEAM, RECEIVED FOUR (4) ROUNDS SMALL ARMS SNIPER FIRE AT (AT 966585). TANKS FIRED TWO (2) 90MM HE AND FIFTY (50) ROUNDS OF .50 CALIBER. RESULTS OF TANK ACTION WERE

(b) Southern Sector Operation Order 5-66

1. In accordance with reference (a), the following County Fair wrap-up report is submitted.

a. Modified County Fair JIA-1; three phased operation commenced 120630H December 1966; terminated 141435H December 1966.

b. (1) Phase I (12 Dec 66)

Inu Hoa Hamlet (AT 952705)
Ap Thach Nam Hamlet (AT 952714)
Cam Hoa (1) Hamlet (AT 967705)

(2) Phase II (13 Dec 66)

Cam Hoa (2) Hamlet (AT 978703)
Yen Bac Hamlet (AT 984703) and (AT 985707)

(3) Phase III (14 Dec 66)

Phong Bac Hamlet west of Route 1A (AT 995715)

c. Southern Sector Provisional Battalion (See reference (b))

d. (1) Phase I: Estimated 2,500 screened, of which almost two-thirds were children. A total of 225 adult males and 604 adult females were processed by 10 card checks and interrogation.

(a) RECAP. Phase I figures as follows:

<u>Patients</u>	<u>Evaluations</u>
76 Adult Males	7
55 Adult Females	
99 Children	
230 Total	

Part 1
Total 2

(1) PHASE I - Phase I figures as follows:

<u>Patients</u>	<u>Evaluations</u>
11 Adult Males	77
8 Adult Females	
23 Children	
42 Total	

(2) PHASE II: 1326 screened, of which 124 were adult males and 247 were adult females. Processing was accomplished by ID card checks and interrogation.

(3) PHASE III - Phase II figures as follows:

<u>Patients</u>	<u>Evaluations</u>
25 Adult Males	4
77 Adult Females	
176 Children	
306 Total	

(4) PHASE IV - Phase II figures as follows:

<u>Patients</u>	<u>Dental Procedures</u>
3 Adult Males	27
4 Adult Females	
9 Children	
16 Total	

(5) PHASE V: 931 screened, of which 115 were adult males and 210 were adult females. Processing was accomplished through ID card checks and interrogation.

(6) PHASE VI - Phase III figures as follows:

<u>Patients</u>	<u>Evaluations</u>
57 Adult Males	1
79 Adult Females	
165 Children	
301 Total	

(7) PHASE VII -

<u>Patients</u>	<u>Dental Procedures</u>
7 Adult Males	21
4 Adult Females	
10 Children	
21 Total	

(4) Hamlet was provided in a joint operation with assistance provided by Hospital Corps personnel from 3d Tank Battalion; 1st Tank Battalion; 1st Airborne Battalion; 3d MT Battalion; 3d Anti-Tank Battalion; 7th MT Battalion; and Hoa Can Regional Forces Training Camp totaling nineteen personnel. In addition, four medical doctors, three of whom were representatives of USAID, participated in the operation. Two Dental Technicians from the 3d Dental Company were also present during the three day County Fair.

e. None

f. (1) Phase I: Two VC captured, 31 VCS apprehended, 15 loaded B&B magazines, and one ammunition box of loose .30 caliber rounds recovered in Phu Hoa Hamlet, one tunnel 10 feet in length destroyed in Phu Hoa Hamlet, and one booby trap (C-sation can) destroyed in Ap Thach Hamlet.

(2) Phase II: Three VCC captured and 40 VCS (7 females) apprehended.

(3) Phase III: 55 VCS (13 females) apprehended.

g. The Civic Action and Psychological Warfare programs demonstrated definite interest and appreciation from the people. MACAF and DEMCAF provided sufficient attention for all those individuals seeking medical aid. Medical cases which could not effectively be handled in the collection points were evacuated to the Canang Hospital. DEMCAF made its first appearance in all the areas in which the County Fair was conducted. The use of such a facility is highly recommended for any future operations of County Fair type. DEMCAF's presence materially contributed to the success of the whole Civic Action effort.

The Psychological Warfare Team effectively displayed their capabilities by not only conducting psychological warfare programs, but by carrying out the responsibility of announcing and directing the people to the various collecting points. The soundtruck provided the only efficient means of communicating certain directional information to the people. In addition to announcing directions, the Psyops Team spotted certain propaganda messages. It should also be noted that during Phase II a U-10 Psyops aircraft circled the County Fair area transmitting several types of propaganda tapes; however, the aircraft was limited in its availability and in its capability to effectively announce any lengthy messages or instructions.

Once having accomplished the mission of moving the people to the collecting points, the Psyops Team moved to the "final holding sites" and commenced a series of psychological warfare programs.

The China Red representative, who participated all three days, proved to be the most important asset of the program. His series of personal speeches gained an immediate response, and on several occasions he received applause from the people. After finishing his talk, ARVN soldiers filtered among the people passing out propaganda leaflets and pamphlets. During the three day operation approximately 5,000 propaganda newspapers, 1,500 New Life Hamlet pamphlets, 1,000 propaganda pamphlets, and 2,000 propaganda leaflets of various themes were distributed to the populace. Furthermore, it was noted that

only a small percentage of this material was left behind by the people. After addressing the people via the loud truck the Chieu Hoi representative mingled with the people speaking to them on an individual or small group basis. In addition, he ventured into the VC/VN compound and spoke to them on various GVN themes. A definite response was observed by the facial expressions of some of the individuals. Attention seemed to follow the Chieu Hoi man wherever he went, including an apparent interest generated among the ARVN troops who were present.

While the Chieu Hoi representative was operating in other areas within the collecting points, the sound truck provided music and carefully spotted propaganda tapes.

It is felt that, overall, the operation was a success. The NERCAF and DEMCAF operations were well received and were conducted in some areas of great need. Plans are in progress to continue these programs in cooperation with the CSARO doctors on a regular basis.

A judgement of the total impact upon the VC infrastructure is awaiting the outcome of further interrogation of the VCs apprehended. Intelligence feedback from the ARVN and local officials indicates that a significant number of VC were apprehended in the operation. The names of those believed to be in custody at this time are being obtained from the local officials and will be provided to ITT as soon as possible. ARVN intelligence sources have stated that during Phase III, a male VC Finance Committee member was apprehended along with a female VC chief of the liaison cell in Phong, Bas Hualat. As such information is received it will be forwarded to ITT.

f. 55 VCS (13 females). One (1) VCS apprehended on 13 December 1966 was reported as a VCC in a later report received this date from ARVN sources.

g. Although no known VC were apprehended in this phase, further interrogation by ITT personnel may uncover information in this regard. The Village Chief Of Hoa Tho Village and the Hamlet Chief of Phong Bac Hamlet were present and spoke to the people on GVN themes. The Chieu Hoi rallier again addressed the people on GVN Programs, the Chieu Hoi Programs, and the Reward Program. In addition to the Psychological Warfare Team sound truck, which was utilized to broadcast messages and speeches, 900 Newspapers and 850 New Life Hamlet and Propaganda Pamphlets were distributed.

NARRATIVE REPORT

17 Dec 1966

On 17 Dec 1966, at or about 0950 hours, three men from the 3d Tank Battalion Civic Action Team were in the vicinity east of the Rhong Bac School House at (AT 001705), where they recieved one round of sniper fire, critically wounding one of the members in the head. An immediate search of the area resulted in fourteen VCS apprehended, one "L" shape tunnel which was destroyed by EOD personnel, a large cache of medical supplies, and over 56,000 piasters. The VCS were turned over to III MAF POW compound for further questioning.

NARRATIVE REPORT

25 Dec 1966

At the request of the 1st Division, G-5 Section, the 3d Tank Battalion's Civic Action Team, medical team, and reaction squad went to the site of a tragic aircraft disaster. The teams assisted in the recovery of bodies, the administering of medical attention to the injured, and the erection of a refugee camp.

During the Holiday Truce, the Civic Action Team and Hoa Tho Village officials conducted a discussion on the economic opportunities in rhong Bac hamlet. In addition, a comparison was drawn between GVN and NLF policies concerning economic development. 3d Tank Battalion's Commanding Officer, Lieutenant Colonel William R. Corson, spoke to the people about the Battalion's Civil Affairs program. Pointed out to the people was the fact that the NLF had been given the chance to openly debate welfare policies. Their absence from the meeting was stressed to the people as the NLF's total lack of concern for the well-being of the people. Non-representation of the NLF was emphasized throughout the occasion.

MEDCAP was held at the Phong Bac Market Place. A total of 43 people were treated. Toward the end of the activity the four Vietnamese nurses instructed the people in the preparation of powdered milk. Five and half cases of dry milk were distributed to those who were present. In addition, 400 Christmas toys were passed out to the children. Distribution of the gifts was handled by the Hamlet Chief, adults, and the four nurses.

NARRATIVE REPORT

27 Dec 1966

On 26 December 1966, at or about 2130, small-arms fire was observed in the vicinity of (BT 001721). No friendly units were in the area at the time. CAC #6 reported treating one 2 year old child who had recieved a wound in the stomach from small-arms fire. The child was sent to the USAID Hospital in Da Nang. An early morning investigation of the site recieved negative results from the people. There was a possibility that the incident was caused by the Viet Cong. Assuming this to be possibly true, 3d Tank Battalion passed out 40 psyops leaflets to the individual families who lived around the area. Further investigation will be conducted and, if the situation calls for, more psyops material will be distributed.

1st Marines reported that they treated two individuals who had recieved burns from a 105mm illumination round. The round fell into their house at approximately 0500 on 27 December 1966. Investigation of the house proved the cause of the incident to be correct. In addition, a small child was also slightly injured. Captain Black, the 1st Marines' Civil Affairs Officer, stated that they would undertake the formal investigation and the payments of solatium. The illumination round was believed to have been fired from a unit within the 1st Marines' area of responsibility.

Approximately 900 personal hygiene leaflets were passed out to the people of Phong Bac Hamlet. The leaflets were procured through the 1st Division Psyops Section. In addition, 100 vietnamese newspapers were distributed among the people.

3d Tank Battalion's Civil Affairs Officer met with Captain Anderson from the 29th Civil Affairs Co., and discussed future projects for Phong Bac Hamlet. Besides pig and chicken programs, Captain Anderson suggested that we start a garden project. He stated that they would us with a variety of seeds.

Follow-up psyops action will be conducted against the Viet Cong activity which occurred on the night of 26 December 1966. A mimeographed message will be printed and distributed to the local population.

During a joint ARVN/USMC operation MEDCAP personnel spent two days (21 Dec-22Dec) in the field attending to the physical ills of the people in Yen Bac, Cam Hoa(1), and Cam Hoa(2) hamlets. A total of 107 people were treated. Treatment was conducted on a house to house basis.

NARRATIVE REPORT

30 Dec 1966

The 3d Tank Battalion's Civic Action Team held the first Farmers' Meeting in Phong Bac Hamlet. A total of 87 farmers, including the Hoa Tho Village Chief, the Phong Bac Hamlet Chief, and the four Phong Bac Hamlet Quarter Chiefs, participated in the event. Topics of discussion were as follows: pig breeding program, chicken program, rabbit program, duck program, and a fishing program. Captain Anderson, from the 29th Civil Affairs Co., was present, and with the aid of the village and hamlet officials distributed 280 seed packets of various types of vegetables to the farmers. A brief lecture on the methods of planting such ~~xx~~ crops was conducted. The farmers were informed that future meetings would be held and that representatives of their government would come and speak to them on farm subjects. The response from the people was gratifying.

Afterwards, the Hoa Tho Village Chief spoke to the people about the reasons for the presence of USMC forces in their country. He repeatedly stressed the point that Marines were here as guests of their government and that they are only trying to help the Vietnamese people in their struggle for freedom and fight against Communism.

In the afternoon, 3d Tank Battalion was honored to have Generals Victor H. Krulak and Herman Nickerson aboard the CP. A series of briefings were given by each individual section. Civil Affairs had the opportunity to explain the various civil action projects operating in Phong Bac hamlet.

DENCAP was conducted in conjunction with MEDCAP in the Phong Bac Market Place. In the future, DENCAP will be held four times a month in the hamlet. The addition of such an important facility should considerably increase the overall effectiveness of our health program.

Psyops material, in a packet form, was distributed to 170 individuals. Basically, one of these packets contained newspapers, a New Life pamphlet, several personal hygiene leaflets, and three psywar leaflets.

NARRATIVE REPORT

31 Dec 1966

On 31 December 1966, the 3d Tank Battalion Civil Affairs Team met with the Phong Bac Hamlet Chief, Nguyen Duong, the prospective pig project participants and 1st Lieutenant Kohrfage of the 29th Civil Affairs Co. A discussion on the pig project was conducted. After the meeting, the assemblage visited the Catholic Orphanage of Da Nang.

At the Orphanage they were greeted by Mother Superior Mary Angela. The Nun guided the group on a tour of the Orphanage's farm and livestock. The primary reason for the visit was to demonstrate the potential of the Yorkshire, Berkshire, and hybrid swine. Many questions regarding technique raised and answered.

In addition, the farmers were afforded an excellent opportunity to observe the methods of procedure on other various operations such as, poultry production, rabbit breeding, and vegetable gardening.

Upon completion of the tour, it was pointed out to the Hamlet Chief and farmers how much could be accomplished. Furthermore, it was stated that all projects, animal husbandry and agriculture, health and education, business and economics, can succeed through unity, mutual respect, and trust. When the people of Phong Bac are willing and able to work together to overcome all obstacles, they are strong enough to defeat the Viet Cong who would deny them freedom and prosperity. In response, the villagers voiced their agreement and pledged their determination to succeed. They were returned to their homes to await the delivery of the pigs.
